MOVING FURNITURE
It is a common saying that "three moves are as good as a fire." Some furniture movers can make it in two moves.
We will move your furniture without causing a scratch or a blemish, and our special furniture wagons, with springs as soft as those in a baby carriage, prevent the slightest jar. We can move your furniture every week in the year without damaging it in the least.

RECREATIONS
The Royals completed a highly successful engagement at the Empire on Saturday evening, and before the curtain went down on the last appearance of the popular vaudeville artists, they were accorded a distinct ovation.
Manager Overend announces that he has secured a nine time winner in the World's Trio. This organization will entertain Empire audiences in "Vest Pocket Musical Comedy."
The new people make their first appearance at the Hotel street play house tomorrow evening. By special arrangement Manager Overend has secured a picture film service from the states that will be found second to none.
The vaudevillians have made up for a shortness of films at this comfortable theater during the past few nights. In some way there was a fluke on the part of the agents for the picture makers on the Coast and the batch due at the Park last week will not arrive until tomorrow morning. The Desmond Sisters and Thompson and J. V. Gibson will appear in a new sketch, and there will be plenty of music and good dancing. The pictures to arrive on the Siberia are entirely new and some of them are said to be rich in natural scenic effects. There is no more comfortable place in the city for an hour's enjoyment. The Park is always cool, and the smoke nuisance often observed in theaters is not in evidence here.
Tonight at the Novelty Theater there will be an entire change of pictures, including Orton and Leota in a pretty Indian sketch. Miss Leota will introduce some of the latest Indian songs, assisted by Sam Orton on the piano. In this sketch Miss Leota will wear her famous Indian gown, the design of which is the same as the one made for Princess Pocahontas. Mr. Orton will imitate on the piano the famous composers of music in an accented way. With a carefully selected lot of pictures and the sketch by Orton and Leota, the management of the Novelty promises a very interesting entertainment.
